

Membership of the Green Economics Institute

There are a number of benefits in becoming a member of the Green Economics Institute including:

- The Green Economist members magazine
- Excellent reductions rates at all our exciting events
- Preference for other openings and launches and speeches in parliaments around the world
- Invitations for speeches and workshops on topical themes.
- Member representation at our advisory board meetings held regularly in Oxford and London.
- Invitations to join our team of researchers/ consultants, as we bid for work from EU and other agencies, including government & business
- Regular membership emails updating you on current events
- Free Events at our offices, including members drinks, and guided wildlife walks and policy evenings to be held in our brand new offices
- Events for members to meet other fascinating, international and multidisciplinary people who are also members of one of the fastest growing global networks.
- All members are entitled to use a page on our website to write about the issues of their choice and publicise things of interest to them. Our website receives over 10 000 visitors a month.
- Preferential publishing support and preferential consultancy support and jobs network
- Allocation of interns to work on your special projects if required.
- Speaking engagements - as we are always looking for speakers on topics we work on.
- Publishing with the Institute in a very wide variety of publications.
- Reductions for places at our regular award winning training on latest current topics

There are many benefits of membership, for specific enquiries please write to us at members@greeneconomicsinstitute.eu
