We would be pleased to receive papers ready to put into our chapters on any of the above themes or ideas for them. We are giving preference to our members and our students and our supporters.

If you are going to write please let us know now by emailing greenecomicsinstitute@yahoo.com. We hope to have the first draft within a month ie end of March.

We welcome diverse contributions and we especially welcome and help with contributions from new writers or other ideas. The writing can be anything of 2 sides A4 or more. Ideally between 2 sides and 5 sides. We will mix academic, polemic, simple and more complex writing, political, academic, campaigning and business styles of writing as this is much more exciting to read.

Please ensure you cite any items you have not written yourself and photos must all be attributed to who took them. References must be Harvard style- and we do not accept footnotes. Please ask for further information or guidance if you need it. Please ensure you do not infringe anyone else's copyright.

The best chapter or contribution from a young person will win a free 2 day attendance scholarship fees at the July 2012 Oxford University Conference and free membership of the Green Economics Institute for 1 year.

We look forward to hearing from you very soon and to your writing for this exciting project.
